"Moodle Student User Guide – A1 Global College"

Table of Contents:

Introduction to Moodle

Moodle is the online Learning Management System (LMS) used at **A1 Global College**. It's your central hub for accessing course content, submitting assignments, attending virtual classes, checking grades, and communicating with instructors.

As a student, Moodle helps you:

- Access course materials (PDFs, videos, presentations, etc.)

- Submit assignments and take quizzes

- Join online classes through Google Meet

- Receive announcements and updates from your instructors

- Track your deadlines and attendance

- Check your grades and feedback

1.Accessing Moodle – Step-by-Step

When you join A1 Global College, you will receive a welcome email with your Moodle login credentials from the address: **study@a1gcollege.ca**
Subject: **"A1GC-Learning Portal: New user account"**

The email includes: (screenshot below)

- Your **username**
- A **temporary password**

- The **login URL** for Moodle

Your online classes will be conducted through **Google Meet**, and the link is provided in your course on Moodle.

Steps to Join the Online Class:

Step 1. Go to your course page in Moodle.

Step 2. Click on the **"Google Meet Link"**.

Step 3. Then, click **"Enter the room"** to join the live session.

📌 **Important Notes:** Make sure to join the class on time and stay present for the entire session.

In addition to accessing the Google Meet link through the Moodle portal, **you will also receive a separate reminder email containing the same Google Meet link** a day or two before your class begins. This ensures you have easy access to the online session even if you're not logged into the portal at the time. Please make sure to **check your inbox (and spam/junk folder, if necessary)** for this reminder so you don't miss your class.
